Dispute Resolution

Overview

Our Dispute Resolution team has significant experience in commercial litigation, arbitration, mediation and alternative dispute resolution. We are routinely involved in high value commercial court litigation on behalf of financial institutions, multinationals and domestic corporate clients.

We are regularly retained by state agencies and public bodies and also act in international commercial litigation and insolvency related litigation.

Our litigation lawyers hold specific knowledge and experience about disputes in a wide range of areas:

- Contractual disputes
- Property/landlord and tenant litigation
- Insolvency
- Financial Services
- Insurance
- Professional negligence claims
- Intellectual Property
- Competition

Dublin, London
& New York

Our commercial litigation, property, insolvency and contentious IP teams are leaders in their sectors.

A distinguishing feature of our practice is the frequency with which our own practitioners run cases without counsel, or alongside counsel.

We are experienced in prosecuting and defending criminal offences in the District, Circuit and High Courts, and in advising a number of clients on the prosecution of statutory offences.

The rigorous evaluation of risk and the effective presentation of a client's position are the key skills of our lawyers in every sector.
