- Contracts
1. Preliminary Comments

- Timing

- Key concepts remain the same
  - Data Controller
  - Data Processor
  - Data Subject
  - Personal Data
  - Data Protection Commissioner

- Data Protection Principles broadly the same
1. Preliminary Comments

- Major Changes
  - Shift in balance of responsibilities between controllers and processors
  - Accountability
  - Enforcement
1. **Preliminary comments**

- GDPR
- ePrivacy
- Privacy Shield
- National Implementing Laws
- NIS Directive
What is the legal basis for processing?
How have data subjects rights changed?
Do we need to amend our contracts?
How and where can I be sued and fined?
What compliance burden do we face?
Thank you
