

Technology

Our Technology team are the 'go to' lawyers for multinational technology companies.

This is reflective of our position as Ireland's leading technology and data protection law firm. Our lawyers provide cutting edge advice on a range of complex legal matters to the world's leading tech and data driven companies.

We regularly advise social media and search organisations along with high potential startups and entrepreneurs. From first round funding to strategic outsourcing partnerships, intellectual property management or global privacy structures, we give the smart advice our clients need.

Our technology law team advises leading technology companies including Facebook, LinkedIn, Twitter, Adobe, Qualtrics and Verizon Media, who come to us to steer them through new and sometimes unforeseen legal circumstances.

Our Expertise

Information technology and intellectual property

- Cloud computing and data hosting
- Outsourcing and shared services
- Intellectual property and licensing
- Service level agreements

Privacy and data protection

- Data protection policies
- Data breach incidents
- Global privacy structures
