

Corporate Trust & Agency

Our corporate trust and agency team assists corporate trustees and agents across the full range of capital markets, structured finance and syndicated loan transactions, on a domestic and cross-border basis. We act for a number of well-known trustees and agents on these transactions.

We are one of the only Irish law firms with a dedicated focus on the corporate trustee and agency community.

Our team includes Irish and English qualified lawyers, who have national and international private practice and in-house experience. They have worked for, and within, the financial institutions the financial institutions that structure, coordinate and execute these transactions.

We advise through the full lifecycle of a trustee or agent's appointment, from the initial set-up phase through the on-going management of life-cycle events, including:

- Issuances
- Corporate actions, waivers and modifications
- Meetings
- Exercise of power and discretions
- Asset acquisitions and disposals
- Security releases
- Redemptions

Ireland is now the only fully common law jurisdiction in the EU. We have experienced and predictable courts with extensive experience adjudicating complex commercial and financial litigation. As an EU member state, the benefits and protections of the EU's financial services regulatory framework applies.

Due to our well developed and internationally focussed financial services sector, Ireland is also a global centre of excellence for corporate services providers, accountants, lawyers, tax advisors and other professionals needed to advise and administer SPVs. This ensures experienced, independent directors combining good governance with an international, outward looking and business friendly approach.

Our Expertise

Our team acts across a range of areas including:

- Debt capital markets - standalone bonds and medium term note (MTN) programmes
- Structured finance – securitisations, prepacks and other asset backed securities (ABS) transactions
- Syndicated loans – leveraged finance, acquisition finance, corporate loans, commercial real estate, development finance and corporate restructuring
- Life cycle advisory, including corporate, actions, waivers and modifications
- Exercise of powers and discretions by trustees and agents
