

# Insurance & Professional Risk

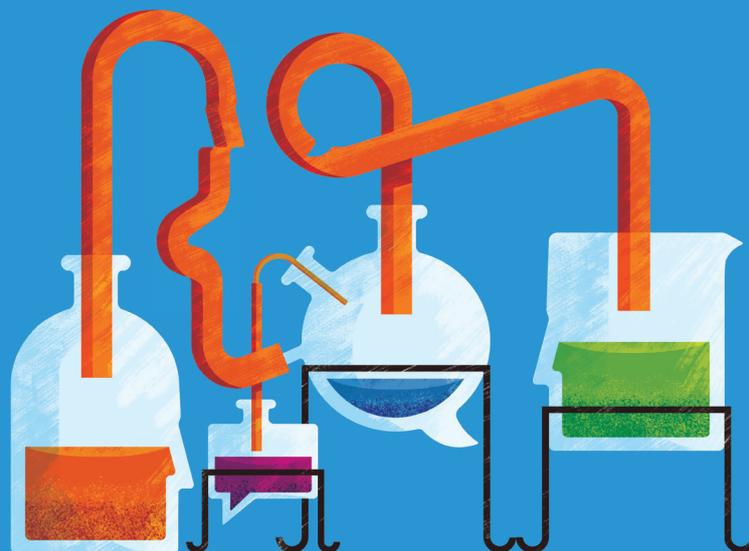

Our multi-disciplinary insurance team has a strong reputation in advising the insurance sector in Ireland. We specialise in handling insurance defence litigation for major insurers in Ireland, self-insured corporations and UK insurers.

We deal with all aspects of insurance law and regulation coverage disputes and regulatory matters related to the establishment and operation of insurance, re-insurance and captive insurance businesses in Ireland.

Our leading professional indemnity team can advise from a legal and commercial perspective. We provide advice to professional indemnity insurers across different sectors on professional negligence claims.
