

Healthcare

We are the leading advisor to the healthcare sector in Ireland. Our advice ranges from strategic guidance on entering the Irish healthcare market to logistical management of services and organisations.

Our healthcare practice has unrivalled depth and breadth working with local and international healthcare organisations in the public and private sector. Our team has been involved in many of the leading Irish medical negligence cases instructed by public and private insurers.

Our clients represent all aspects of the healthcare sector, from those developing and building new facilities to those operating established hospitals. We also provide services for healthcare professionals, insurance companies, research organisations and intermediaries, including pharmaceutical and MedTech companies.
