

# Technology

Our Technology team are the 'go to' lawyers for multinational technology companies.

This is reflective of our position as Ireland's leading technology and data protection law firm. Our lawyers provide cutting edge advice on a range of complex legal matters to the world's leading tech and data driven companies.

We regularly advise social media and search organisations along with high potential startups and entrepreneurs. From first round funding to strategic outsourcing partnerships, intellectual property management or global privacy protocols, we give the smart advice our clients need.

Our technology law team advises leading technology companies including Facebook, LinkedIn, Twitter, Adobe, Nest and Verizon Media who come to us to steer them through new and sometimes unforeseen legal circumstances.

## Our Expertise

### *Information technology and intellectual property*

- Cloud computing and data hosting
- Outsourcing and shared services

- Advising Nest Labs on technology law, privacy law and commercial contracts issues

## What Others Say About Us

### Our Technology Team

*"The lawyers understand the issues and the pressures, are quite personable and are readily available at short notice".*

Chambers & Partners, 2019

## About Us

We are a business law firm with 90 partners and offices in Dublin, London, New York and San Francisco.

Our legal services are grounded in deep expertise and informed by practical experience. We tailor our advice to our clients' business and strategic objectives, giving them clear recommendations. This allows clients to make good, informed decisions and to anticipate and successfully navigate even the most complex matters.

Our service is award-winning and innovative. This approach is how we make a valuable and practical contribution to each client's objectives.
