

Technology & IP

Our team works with clients to develop an effective and tailored IP enforcement or litigation strategy that suits our clients' needs.

We take the time to understand our client's business and provide practical advice which is both legally and commercially focused.

Our extensive experience in technology related IP matters coupled with our understanding of the industry sector informs and enhances our advice.

Our reputation as a leading advisor in this field ensures we are involved in the vast majority of IP cases issued in the Irish courts each year and we are the go-to firm for clients in the tech sector.

Our team are regular and trusted advisors to a wide variety of multinationals and indigenous companies and we enjoy long-standing relationships with international colleagues.
