

Construction & Engineering

Construction is critical for the economy and is the foundation of successful business in Ireland. We are steeped in all aspects of the industry, advising stakeholders on all types of construction projects.

From inception to completion, we understand the commercial realities. Our advice covers procurement, contract advice, public/private partnerships and funding.

We have an unrivalled reputation for managing disputes. We take a proactive approach to risk analysis and have successfully represented clients in all forms of dispute resolution.

Our Expertise

Our team acts across a range of areas including:

- Project procurement
- Contract advice
- Drafting & negotiation
- Contract management
- Dispute avoidance
- Dispute resolution

Our Experience

Our highlight deals include:

- Advised EdgeConneX on the construction law aspects of the development of a significant 18 MW colocation data centre in Dublin
- Advised Chartered Land on an agreement with Abu Dhabi Investment Authority concerning the redevelopment of Queensmere Centre, Slough, Berkshire
- Advising Ziggurat on a number of developments across Ireland, providing approximately 2,000 student accommodation rooms.

About Us

As legal and regulatory responsibilities become more complex, progressive organisations need measured advice to help realise their ambitions. The expertise we bring is rooted in unrivalled knowledge of your industry, so our advice is always set in its commercial context. We empower our international and domestic clients by giving focused recommendations and a clear understanding of their options. We solve the issues you face today and anticipate the challenges you face tomorrow.

We are a business law firm with 87 partners and offices in Dublin, London, New York and San Francisco.
