

Technology

As Ireland's fastest growing law firm, we understand the challenges of working in a rapidly changing sector. Decades of experience in serving the Irish technology market has helped us to develop one of the largest and most sophisticated technology practices in Ireland.

Our technology team advises the world's leading social media and search organisations along with emerging startups and entrepreneurs. From first round funding to strategic outsourcing partnerships, intellectual property management and global privacy protocols, we give the smart advice you need.

*Dublin, London
& New York*

Our experience includes advising on such issues as:

Data Protection

- Reviewing and drafting data subject consent notifications
- Liaising with the Data Protection Commissioner
- Issues arising from commercial contracts
- Audit of information gathering procedures
- Drafting privacy and data protection policies

Outsourcing

- Hardware maintenance agreements
- Software licensing agreements
- Developed/bespoke software agreements
- Software maintenance agreements
- Software and hardware turnkey projects

What others say about us...

Technology, Media & Telecommunications

'It gives practical advice, has strong business acumen and keeps us regularly updated with what is going on.'

Chambers & Partners Europe, 2014

Information Technology
